## INFO MEETING ON 15.2.2022 9.00 CET

Welcome to our Info Meeting for all MAHs on 15th of February at 9.00 CET (10.00 Finnish time) on Teams! We will update you on medicines verification's news and we are glad to have a guest speaker **Kati Vuorikallas, Pharmaceutical Director from Yliopiston apteekki (University pharmacy)**, to share her insight on medicines verification from a pharmacy perspective. We hope you have a lot of questions - you can send them to us beforehand on the registration page.

## EMBEDDED ALERT GUIDELINE NOW ON OUR WEBSITE

At the end of 2021 we introduced a new feature to our website, an embedded Alert Guideline. You can find your way to the Guideline by clicking *Alert Guideline* on our front page. The Guideline is available in English, Finnish and Swedish and we hope that the updated Guideline will help you to investigate system alerts even more easily than before.

In addition to the embedded Alert Guideline and refreshed website, which was done previously, in January we will also update our website's texts.

As always, you can contact us
